## Orphanage Visit

Each group will have the opportunity to visit an orphanage in order to give Building Team Volunteers the opportunity to experience the need of orphans first hand. After spending time with children in the orphanage, a greater appreciation for the mission of HopeHouse is realized and the purpose of “building a home” takes on new meaning.

Each team will determine and plan their own “outreach” activity to present to the children during their visit.

## The Mission

HopeHouse exists so that Orphans in Ukraine can become adopted by Christian couples within their own country. Adequate housing is a barrier for most citizens and it is a government prerequisite for adoption. HopeHouse enables adoptions by addressing adequate housing needs which results in three or more children being given a family and a future.
