FOLLOW-UP BY LOCAL MINISTRIES

Orphanage Visits

Orphaned children will experience joy, laughter and love through planned activities, music, drama, recreation, presentation of the gospel message, distribution of children's Bibles and gifts through the personal interaction with Mission Team Members serving as the hands and feet of Christ.

Orphanage Relief Items

Much needed relief items as well as gifts and Ukrainian Children's Bibles will be collected and distributed among all orphans visited.

HopeHouse Family Visits

HopeHouse exists so that Orphans in Ukraine can become adopted by Christian couples within their own country. Adequate housing is a barrier for most citizens and it is a government prerequisite for adoption. HopeHouse enables adoptions by addressing adequate housing needs which results in three or more children being given a family and a future. There will be occasions to meet with former orphans, now adopted children, and their HopeHouse families.
